Dear symposium participant,

Re. Greetings from President Haiyan Hu, NUAA

Welcome you to Nanjing, and to Nanjing University of Aeronautics and Astronautics (NUAA)!

It is a great honor for my university to organize The IUTAM Symposium on Dynamics and Control of Nonlinear Systems with Uncertainty on NUAA campus at Ming Palace, and to host your visit to Nanjing.

As President of NUAA and Chairman of Local Organizing Committee of the IUTAM Symposium, I am happy to present you this brochure as a souvenir, which offers you the beautiful pictures of NUAA campuses, with Chinese poems, not only in autumn, but also in other three seasons. Hopefully, the brochure will also remind you of your fruitful visit to NUAA and Nanjing forever.

With best wishes to your visit,

Sincerely yours,

President Haiyan Hu

Invitation to the Round-Table Meeting

Dear Professor Awrejcewicz,

On behalf of the scientific committee of the IUTAM Symposium, we are pleased to invite you to attend the Round-Table Meeting, to be held on Thursday 21 September, 2006, from 7:30pm to 9:30pm, in the side room of the Lecture Hall in the library. The topics of the meeting are suggested, but not limited, to cover

The advances and trends of nonlinear dynamics and control with special attention to the frontier and the applications of some key technologies related to the nonlinear science.

We thank you for your coming.
